 Saturday, 29th October - 2:30pm to 5:30pm

b. To appoint an Auditor for the upcoming year

The Board has recommended the continued appointment of Ken Clifton as the club's auditor.

c. Motion: That this AGM approves the following changes to the Club's Constitution;

Delete existing paragraph 35 which reads as follows -

"if the entrance fee or subscription of any part thereof of any member shall not be paid within a period of 60 days from the date upon which it shall fall due for payment and if the same shall not have been paid within the time limited by such notice the defaulting member shall from that date be debarred from all privileges of membership and his name shall be removed from the Register of Members of the Club."

And replace with the following new paragraph 35;

"If the entrance fee or subscription of any member shall not be paid on or before the due date upon which it shall fall due for payment the defaulting member shall, from that date, be debarred from all privileges of membership and his name shall be removed from the Register of Members of the Club."

The Board of the Club supports this motion, which has been proposed, due to the following;

- a) While it has been the practice of the Club to allow 31 days each year for payment of fees and subscriptions, the Club also provides a finance option for members, if required, to meet their annual membership subscription on or before the due date;
- b) Under the existing paragraph of the Constitution, a member may enjoy the privileges of membership for 60 days (about 2 months) at no expense;
- c) At the end of the grace period that the Club has provided, a member having enjoyed membership privileges for a period without payment, may leave the Club. This situation is not compatible with other members who have paid their annual fees on or before the due date, which is 30 June of each year;
- d) It is reasonable that annual subscriptions are paid before the commencement of the new financial and membership year; and
- e) The Board notes that there is no requirement in the Registered Clubs Act for a grace period to be provided for annual membership subscriptions.

d. General Business

Nominations for a position on the Board of Directors are open from receipt of this letter. Nomination forms and an information sheet outlining Directors responsibilities is available from the bar staff. All aspects of the forms are to be filled in and signed. Completed nomination forms are to be received by the Secretary Manager prior to closing. Late nominations will not be accepted.

Eligibility To Vote

Full Playing Financial members, Life members, Sponsorship members, Midweek members and Concession members aged 18 and above are entitled to attend and vote.

Notice of questions or requests for details at the AGM

- i. By collection from the clubhouse; or;
- ii. You may have an electronic copy emailed to you

You may also elect not to receive any material relating to the Annual Report by advising us accordingly.

President's Report

This being our 60th year on this property, we continue to battle the effects of Covid and the weather. Three years ago it was the drought, since December 21 we have recorded a staggering 1500mm of rain onto our course. The course has been closed in excess of 100 days in the past year. That had a negative effect on our finances, and our golf participation.

It is pleasing to report that as of June 30th this year, we had almost 800 golfing members, our largest membership number in 60 years. It's a testament to value for money and the wonderful condition of our course. Our course is as good as any in the Macarthur Area.

Our financial position has changed from previous year however the Board expected that given the substantial number of days lost due to rain events over the year. Our Club is in a strong financial position moving forward.

A huge thank you to members and visitors alike for your continued support of the Club during the past 12 months. Our staff have toiled hard to service all Stakeholders along with the local community. During the past 12 months, Antill Park has contributed substantial funds to local Wollondilly Charities; funds generated via nearest the pin on the 6th hole each Competition Day, half to the winner half to a local Charity. Those funds are donated each month.

In terms of Wollondilly Shire Council (WSC) we advise that the brief calling for Expressions of Interest (EOI) has yet to be released by WSC. It is not known when that release will take place, our only advice from WSC is that elected Councillors will have the final say in terms of who the successful applicant will be. Our further advice from WSC is that this matter will be concluded February 2023, which is a change from their previous advice of December 2022.

For your information WSC is not obliged to call for EOI under NSW Law, they are permitted to deal with Non for Profit Community groups like us with discretion to consent to a lease of up to a term of 25 years. When we questioned WSC, they advised that they would by-pass that discretion and seek EOI to ensure they achieve best outcome for the Wollondilly Community. This was confirmed in writing by WSC.

It is hoped the greater Wollondilly Community understands the members of Antill Park, past and present, designed, constructed, financed and cared for the course for the past 60 years. Those wonderful past members worked tirelessly to create our Club and the course without any assistance from outside organisations in terms of construction or finance.

Our past Lady members (in 1963) cleaned, painted and removed over grown vegetation which allowed the club to inhabit the current club house. We owe a great deal to those past members, so much.

To date Antill Park Country Golf Club has contributed in excess of \$19 million towards construction, maintenance, plant, equipment and staffing in preparing servicing and presentation of the great course.

Our submission in terms of the EOI will be of a positive nature. At this time our proposed future plans for Antill Park are Commercial in Confidence.

At a time following the closure date for EOI's, I will share every detail of the exciting future we propose for our great Club.

A long term member recently said to me;

"if enough good people get involved anything is possible"

I look forward to your continued support.

Best Regards,

Kevin James President Member 137

Captain's Report

Another golfing year nearly gone!

This year we had eased restrictions to the COVID pandemic and golf has almost returned to normal.

Antill Park experienced another setback this year, not COVID, but torrential rain since January, with Course closure and major flooding. There were many days where the course was closed and too wet to access. Luckily the rain eased and the Green's Staff were able to get on with major repairs to the fairways and mowing.

I would like to thank Andrew & his Staff for the excellent work they did and continue to do under very trying & sometimes difficult circumstances.

We were able to play and host our Major & Master Pennant matches without any major issues. Our first Match for the Warren & Gibson Pennants was washed out, but they were able to finish the matches without a problem. This year was also our first Super Senior Pennant Team for a couple of years.

Thanks goes to Bruce Potter for reviving & organising the Senior Pennant Team.

I would also like to thank the Match Committee, Chris Akers, Bruce Potter, David Croft & Sacha Kennedy for their input & support during this year.

We had a huge increase in our Ladies Membership, with our Friday Ladies, 16 - 20 playing 9 or 18 holes on a Friday. Eight Ladies have now joined as 6 or 7 day Members and got their handicaps so they can play on a Saturday.

I would again like to thank all the members for their continuing support and encouragement.

Wishing all our members "great golfing" for the rest of 2022 & an awesome 2023!

<u>Treasurer's Report – Financial Year ended 30 June 2022</u>

I am sure that members will recall with some regret, that playing limited golf, use of the Club's facilities and course closures were all adverse features of the 2021/2022 financial year. Therefore, it was inevitable that the financial outcome for the 12 months was worse than would have been the case if these impacts, from COVID restrictions and ongoing rain events, did not occur.

Nonetheless, the result for the year had some positives which will continue in 2022/2023 and beyond. Here are some of those positives;

- 1. A loss of \$76,629 was the bottom line compared with a profit of \$70,359 in 2020/2021. The negative turnaround of over \$157,000 is mostly attributable to the events mentioned above. The loss of \$76,629 was after a charge of \$126,563 for depreciation and amortisation which means the Club created a cash surplus of \$49,934 for the year. This was better than a negative cash outcome especially as it was a requirement for the Club to meet all its financial commitments, such as wages for permanent employees and finance repayments, while there were many weeks when little income was derived.
- 2. Some of the Club's key income generators held up well despite the setbacks which is a positive for 2022/2023 and beyond. Here are some of those items;

Income Source;	2021/2022	2020/2021
Members Subscriptions (see below)	\$304,633	\$232,607
Competition fees	\$210,437	\$227,751
Green fees – casual players	\$239,006	\$234,850
Golf cart hire	\$223,266	\$204,786

- 3. During 2021/2022, the Club enjoyed a large increase in members of which many were new golfing members. In one period a 67% increase was recorded in all categories of membership. This was a phenomenal result. Restrictions on Local Government Authority movement was the reason why we had some new members. It remains to be seen if the Club's membership numbers will increase in 2022/2023 and later years.
- 4. The Club's business model remains sound. Given good trading and golf playing conditions it is expected that the Club's financial position will improve considerably in subsequent years.

I would like to thank all of the Club's staff for their contributions in 2021/2022. Some periods of the year were quite difficult because of the COVID restrictions, the rain events that disrupted operations and for some staff, taking on work challenges that they had not experienced.

Greens Report 2021/22

On behalf of the President and the Board of Directors, thanks must firstly be extended to our hardworking staff led by Andrew Steele as Course Superintendent.

Andrew leads a small team comprising of Jack Digger, Rod McNeil, Kyle Adams and Liam Bayliss whose efforts and output have allowed the Club to open on more days than what other clubs have been able to, in what has been a difficult year.

Antill Park Country Golf Club has experienced in 2022, an amount of rain far exceeding what has occurred in the memory of most at the Club. Whilst in the past the Club has been hit with torrential rain for short periods of time, 2021/22 saw multiple occurrences of significant rain events that occurred on top of already saturated grounds.

On more than one occasion with all dams full and water continuing to flow, we experienced sheets of water across multiple fairways and bunkers resembling ponds resulting in the closure of the course, adjusted playing conditions and rarely the perfect golfing day.

Significant human resources were required to ensure the course was returned to playing condition as quickly as possible and we are very pleased with the efforts by our greens team and volunteers to ensure the course was playable and when possible, we could get carts back on course. These extra efforts included roping off areas of the course unsuitable for traffic, adding directional signage, additional drainage works, and ongoing pumping of water out of bunkers.

Capital spend was largely paused this year due to;

- The impact of COVID on revenue streams pre-Christmas
- Poor weather conditions also reducing revenue and,
- Ongoing discussions with council re the course lease

The status of the course lease meant that the greens staff (after draining bunkers and fairways), focused on course maintenance rather than master plan items such as greens renovations/extensions that had been mentioned in previous annual reports.

In terms of course maintenance, the 17th hole is now significantly improved in terms of both visual appeal and playability after the mounding and re-grassing works took hold. The removal of bunkers on the 12th and 13th holes has been completed along with various pruning of trees, most notably around the 18th green, allowing more light and less leaves onto the green.

We are hopeful that 2022/23 will bring a bit more sunshine and less rain enabling the course to shine and truly reflect the work put in by Andrew and the team.

Happy Golfing

Minutes of the 59th Annual General Meeting Of Antill Park Country Golf Club Ltd. Held at Antill Park Country Golf Club on Monday 22nd November, 2021

The meeting was opened at 6.59pm by Kevin James, President.

Apologies were received from: Sacha Kennedy, Hans Sewalt, Nicki Mallam, David Blain

Number of Members Present: 29 members

1. <u>Presidents Report / Greens Report</u> Kevin James Presenting

Legal issue next door, they have lodged additional DA's. We are speaking with Council but it seems like this will be ongoing. We will keep you informed of any updates when they come through.

We currently have Lauren Manning as our Acting Manager, we are currently sourcing a Secretary Manager but that process is ongoing.

As you know the NSW Government through the Health Order, has deemed that all hospitality staff should be double vaccinated. We had 2 staff members that weren't and they were stood down, one has now complied and is back working with us. It would appear that the 2nd won't comply and we've had to address that over the last few days and that should be completed by the end of this week.

The course works on 13 and 18 have been suspended due to Covid. That work will commence again in 2022.

You may have noticed the big net on 16 that has been there for years, we've ordered a replacement net and paid half. It's about \$38,000 and should be installed before Winter next year.

Some great news, since April last year when the existing Board came in, our membership has risen by 65% for golfers. We continue with our ladies' program that Anna-Marie runs every Friday and once we get some normality in our Pro Shop, we will then bring our Juniors back. The Junior Clinics last year brought in 25 kids with their parents, grandparents and George Kennedy, who always helps when asked, put on a BBQ and it was a really great day for us. We got a couple of memberships out of it and some really high achieving kids that are going to come through.

The question in regards to the SuperPin, there has been quite a bit of money come through from that and where the money is going. We've been banking 50% of it and we've decided that the money will be distributed to local charities, smaller charities that need the extra support and are Wollondilly based. If you know of a smaller charity, please let Lauren know and we will pursue that. They will be given a large cheque and we will organise a photo to be put into the local newspaper to show that we are a community based Club and we are giving back to our community. It should be approximately \$700 per month.

We, Anna-Marie and myself, had a visit from Golf NSW last week with Tanya Smith who is the Zone Manager. She spoke about Government Grants and we will start that process in the New Year.

I'd like to thank Anna-Marie and the Match Committee, Bruce, Wally and Kim-Maree Teale who have worked hard to ensure our Comps have run well throughout the year. They organise the results and prize vouchers, thank you Anna-Marie.

For those who own carts to use on the course, we will be chasing you up within the next few weeks for your insurance details. If it's not insured, you will need to remove your cart.

For the first time in 6 years, this year we held a Sponsors afternoon. We held a little Ambrose where Anna-Marie won. It was a great evening, the good will from our sponsors over the year really consolidated our profit and bottom line. Thank you to our Sponsors for their support.

Another thing we did this year, the first time in 12 years, we appointed a Trainee Professional, Daniel Shipp. Daniel is a mature age associate who has come to us from Campbelltown. He is currently running the Pro Shop for us now but once we have a full time Pro, he will return to an associate. It has been 10-12 years since we last had a trainee.

Dave Blain is currently off work due to surgery, we're looking forward to seeing him in the New Year.

Hans Sewalt, a Life Member has also had surgery last week and we wish him all the best in his recovery.

- 2. Minutes of the Annual General Meeting held on 26th October, 2020 (see page 9 of 2021 annual report)
- There are no matters arising from the minutes

That the minutes of the 58th Annual General Meeting be confirmed as a true and correct record of proceedings.

3. <u>Award Presentation – Life Membership</u> *Kevin James presenting*

It gives me great pleasure to formally announce that we have had 2 members nominate Bruce Potter for Life Membership. There is no greater privilege than to be nominated by 2 of his peers. I'd like to call on Billy Higgins who nominated Bruce and Barry Elliott nominated also.

Bill Higgins:

I nominated Bruce because he always takes the time and says hello to everybody. He really comes across as a good bloke. He always has the Club and member's best interests and does all the right things. He has represented Antill Park as a Pennants player and on teams, he's on the Match Committee, always helps out around the course, mows the lawns, closes the Comps, and helps with carts. I nominated Bruce because I've been here for 10-12 years

and Bruce is always around and always involved and doing what everyone else doesn't want to do. Thanks Bruce.

Kevin James:

Our Club exists because of people like you and through the efforts of people like you and without you we wouldn't have a Club.

We now need to vote (Bruce leaves room). To ratify Bruce's Life Membership, we require 2/3 majority. With a show of hands, approve Life Membership. (Bruce re-enters). Bruce you are now a Life Member of our Club.

Bruce Potter: Thank you to the Directors and Billy, I love this Club and being here, thank you.

4. Financial Accounts, Directors and Auditor's Reports

Dennis Roams: Since being on the Board one of the important things I thought the Board should do is work to a budget. We are doing that now and involving the Staff in the budgeting process. We were given estimates on likely sales from the Pro Shop, if you look at the budget figures and the actual results, the results are way above what we anticipated. We have a great financial future at the Club, we have a great stream of income from the Pro Shop. We have had some issue with Covid but fortunately the Government Grants from Federal and State Government have helped. Financially this has been a great time for us. For example, you will have noticed a Kubota tractor on the Greens. We negotiated and financed the tractor and the interest rate is 0.9%, almost no interest. We can also claim the GST. The future of the Club looks rosy; we are in a good place financially.

Moved: Barry Marr Seconded: David Croft Carried

That the Financial Accounts, Directors and Auditor's Reports be accepted as presented.

5. 1st Resolution

Moved: Bruce Potter **Seconded:** Barry Marr approve expenditure of up to \$3,500 for expenses of Directors involved in presentations and promotional activities of benefit to the Club etc. **Carried.**

6. 2nd Resolution

Moved: Sharon Peters **Seconded:** Len Foley approve expenditure of up to \$2,500 for Directors education attending other clubs etc. **Carried.**

7. 3rd Resolution

Moved: Lindsay Lewis **Seconded:** Jeanette Higgins approve the adoption of the Antill Park Country Golf Club Child Protection Policy.

 We introduced that for the number of Juniors we have coming through. Golf NSW have indicated that a new regime is coming for every Club. Directors and Staff will be required to complete online training. We will add to our policy the needs from Golf NSW for our upgraded policy. Carried.

8. Election of Officers

- **a.** The President declared the positions of three (3) Directors vacant. 3 directors have been elected again.
- b. President Kevin James declared the results of the applications for DIRECTORS;

Director elected:

President: Kevin James (2 year) Director: Barry Marr (2 year) Director: Mark D'Souza (2 year)

9. Appointment of Auditors

President Kevin James stated discussed the appointment of Auditors for the upcoming year. The Board has recommended the continued appointment Ken Clifton / Alana as the current auditor for the next financial year. They have been very helpful to us over the past year.

Moved: David Croft Seconded: Allan Bell Carried

10. General Business

a. Geoff Hatton (1457) – Geoff thanked the Board as it can be a thankless job. Geoff stated that he is proud to be a member and a Sponsor. The atmosphere in this Club is the best one of he has ever been in, over 50 years. Geoff asked that the Board please consider, when you enforce rules such as slow play, try to do it on a remedial basis so everybody gets along and keeps it that way. He also suggested that with the changes in local government, we may have the opportunity to invite the Mayor as an honorary member and give him/her the opportunity to see how we operate. We are part of Council; indications are there is support from Council to the Club. Geoff says that he would like to offer that as recommendation to the Board.

Kevin responds that the Club should have a Patron such as a local or federal member but that may be too political for us. The next Mayor of Wollondilly will be presented with a Patronship.

b. Len Foley (10) – Len would like to know what the Club plans to do when Covid restrictions ease in regards to vaccinations. Kevin said that the Board met and decided that members and staff will need to be double vaccinated. Len asked if that was after the 15th December once restrictions ease for unvaccinated people also. Kevin stated that is correct.

Conclusion: Kevin James

The loyalty of our members has allowed us to keep our doors open, our Club has a fantastic future. Down the track the future generation will have to keep it going. We have a concise plan in place for the next few years with great things happening around us if they come to pass. We still have some issues to get around and we've made some decisions that some are offended by. When we took over, we decided the Club needs to be run as a business. The money that we all pay needs to be guarded which we are now.

The Attendance book was signed by 29 members.

Meeting Closed: 7.26pm

Signed as a true and correct record of proceedings.

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2022

Note 1 Statement of Significant Accounting Policies

The financial report is a general-purpose financial report that has been prepared in accordance with Accounting Standards, Urgent Issues Group Consensus Views, other authoritative pronouncements of the Australian Accounting Standards Board and the *Corporations Act 2001*. The company has applied the Tier 2 simplified disclosure requirements outlined in AASB 1053.

The financial report covers Antill Park Country Golf Club Ltd, and is a company limited by guarantee, incorporated and domiciled in Australia.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the material accounting policies adopted by Antill Park Country Golf Club Ltd in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

a. Income Tax

Antill Park Country Golf Club Ltd is exempt from income tax provided it maintains its exemption under section 50-45 of the Income Tax Assessment Act 1997. For the period to 30 June 2022 the company has complied with this requirement.

b. Inventories

Inventories are measured at the lower of cost and net realisable value. Costs are assigned on a first-in first-out basis and include direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenses.

c. Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

Property

Building improvements are is carried at cost or fair value less, where applicable, any accumulated depreciation.

Plant and equipment

Plant and equipment are measured on the cost basis.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining recoverable amounts.

Lease Right of Use (ROU) Assets

Leased ROU assets are capitalised at the commencement date of the lease and comprise of the initial lease liability amount, initial direct costs incurred when entering into the lease less any lease incentives received. These assets are accounted for the same as where the corresponding underlying assets would be presented if they were owned.

On initial adoption of AASB 16 the Antill Park Country Golf Club Ltd has adjusted the ROU assets at the date of initial application by the amount of any provision for onerous leases recognised immediately before the date of initial application. Following initial application, an impairment review is undertaken for any right of use lease asset that shows indicators of impairment and an impairment loss is recognised against any right of use lease asset that is impaired. Lease ROU assets continue to be measured at cost after initial recognition.

ABN 66 454 834 059

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2022

Depreciation

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a straight-line basis over their estimated useful lives to the company commencing from the time the asset is held ready for use. Properties held for investment purposes are not subject to depreciation charge. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

ROU assets are depreciated straight-line over the lease term,

The depreciation rates used for each class of assets are:

Class of Fixed Asset	Depreciation Rate	
Buildings	4%	
Plant and equipment	7% - 33%	

d. Investments

Non-current investments are measured on the cost basis. The carrying amount of investment is reviewed annually by directors to ensure it is not in excess of the recoverable amount of these investments. The recoverable amount is assessed from the quoted market value for shares in listed companies or the underlying net assets for other non-listed corporations. The expected net cash flows from investments have not been discounted to their present value in determining the recoverable amounts.

e. Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year together with benefits arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at the amounts expected to be paid when the liability is settled plus related on-costs. Other employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions are made by Antill Park Country Golf Club Ltd to an employee superannuation fund and are charged as expenses when incurred.

f. Cash

For the purposes of the statement of cash flows, cash includes cash on hand and at call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months and net of bank overdrafts

g. Revenue

Revenue from the sales of Goods is recognised upon the delivery of goods to customers.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers. All revenue is stated net of the amount of goods and services tax (GST).

h. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

ABN 66 454 834 059

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2022

i. Lease Liabilities

The Antill Park Country Golf Club Ltd (the club) adopted AASB 16 using the modified retrospective approach, under which the cumulative effect of initial application is recognised in retained earnings at 1 July 2019. Accordingly, the comparative information presented for 2019 is not restated, that is, it is presented as previously reported under AASB 17 and related interpretations.

The club elected to apply the practical expedient to not reassess whether a contract is, or contains a lease at the date of initial application. Contracts entered into before the transition date that were not identified as leases under AASB 117 were not reassessed. The definition of a lease under AASB 16 was applied only to contracts entered into or changed on or after 1 July 2019.

As a lessee, the club previously classified leases as operating or finance leases based on its assessment of whether the lease transferred substantially all of the risks and rewards of ownership. Under AASB 16, the club recognises right-of-use assets and lease liabilities for most leases. However, the club has elected not to recognise right-of-use assets and lease liabilities for some leases of low value assets based on the value of the underlying asset when new or for short-term leases with a lease term of 12 months or less.

Note 2 Going Concern

The financial statements have been prepared on a going concern basis. This basis is applied on the expectation that the company will not experience a significant decline in its trading performance from the previous financial year and that it will receive support from its bank for short term funding requirements.

The club recorded a profit before depreciation and income tax of \$49,931 (2021: \$185,707) during the year ended 30 June 2022 with positive cash flows from operating activities of \$146,789 (2021: positive \$208,673).

The Directors consider that the Club will be able to continue to fulfil its obligations as and when they fall due for the foreseeable future, being at least twelve months from the date of approval of these financial statements, and accordingly, that the Club's financial statements should be prepared on a going concern basis.

Accordingly, no adjustment has been made to the financial report relating to the recoverability and classification of recorded asset amounts or to the amounts and classification of liabilities that might be necessary should the Club not continue as a going concern.

Basis for Opinion

ABN: 62 600 307 514

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

The directors are responsible for the other information. The other information comprises the information included in the company's annual report for the 30 June 2022 but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance or conclusion thereon. INDEPENDENT AUDIT REPORT TO THE MEMBERS OF

ANTILL PARK COUNTRY GOLF CLUB LTD

Responsibility of the Directors for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with the Australian Accounting Standards – Reduced Disclosure Requirements and the Corporations Act 2001. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As par of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for on resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether
 the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
